Summary:

At approximately 8:50am, on Monday, January 23rd, 2023, Counselor (b)(6)(b)(7)(C) received information about a razor blade being in cell K-29. Detainee (b)(6)(b)(7)(C) informed Counselor (b)(6)(b)(7)(C) that his cellmate, Detainee (b)(6)(b)(7)(C) (SID: (b)(6)(b)(7)(C) was strong arming him, and he was in fear for his safety due to his commissary being stolen by Detainee (b)(6)(b)(7)(C) Detainee (b)(6)(b)(7)(C) was removed from K-Pod and interviewed regarding the alleged razor. Detainee (b)(6)(b)(7)(C) admitted to having taken apart a razor and kept the razor. Counselor (b)(6)(b)(7)(C) then received additional information that there was a second razor blade in cell K-20. Detainee (b)(6)(b)(7)(C) (SID: (b)(6)(b)(7)(C) stated that his cellmate, (b)(6)(b)(7)(C) (b)(6)(b)(7)(C), had hidden a razor on the side of the top bunk behind a white sticker. A search was conducted of cell K-20 and a razor was discovered where it was reported to be. Both detainees housed in K-20 were removed from the cell and questioned about the razor; both detainees denied ownership of the razor.

<p>Investigator Conclusion: I find that based upon the razor blades being discovered, as well as statements made by all detainees involved, I find that there is sufficient evidence to charge Detainees (b)(6)(b)(7)(C) (SID: (b)(6)(b)(7)(C) (b)(6)(b)(7)(C)), and (b)(6)(b)(7)(C) (SID: (b)(6)(b)(7)(C) with Possession of a Sharpened Instrument (A-22c). In addition, I find that there is sufficient evidence to charge Detainees (b)(6)(b)(7)(C) with Aid Another Person to Commit an Offense (A-35) based upon both detainees knowing the razor was present, as well as neither detainees accepting ownership of the razor. I also find that there is sufficient evidence to charge Detainee (b)(6)(b)(7)(C) (b)(6)(b)(7)(C) with Failing to Cooperate with an Investigation due to him failing to report his knowledge of the razor being in his cell since Friday. All three detainees have been relocated to the Restrictive Housing Unit pending the outcome of their Disciplinary Hearings.</p>

Statement of Offense:

Sir,
On this date, December 15th, 2021, during AM med pass, above detainee approached this nurse to receive his medication. Please note detainee has been verbally aggressive to this nurse in the past to which I gave him 2 verbal warnings that he would not speak to me in that said manner. Once detainee "took" his meds, he crinkled up his cup, gave a mouth check, and attempted to walk away. I noticed that he still had his med cup so I then stated to please give me his cup. He hesitated. I asked three times to hand me the med cup that he crinkled up to which he then threw in the trash. I then retrieved the med cup to find all of his meds (psych and medical) in it. I had previously known that detainee had attempted to hoard his meds in the past (medical chart note 12/4/21 in CorEMR). At this time, due to the severity of this situation, detainee was removed from the unit and brought to G unit for disciplinary reasons. Upon search of his cell, security staff went on to find numerous pills that he had hoarded in his cell. Of those pills, there was about 3 weeks worth of his psych meds found. Security staff notified of what those pills were. This nurse will notify mental health staff and medical staff of this situation.

Statement of Offense:

Sir:
----Wednesday, December 15, 2021 while assigned to CERT 3:4 on 0700 - 1500 shift an incident took place that requires the submission of this report against INS Boston Detainee (b)(6)(b)(7)(C) # (b)(6)(b)(7)(C) for misuse of and hoarding medications. At 0910 hours, Lt. (b)(6)(b)(7)(C) called for the removal of one from C3. I assisted in packing the detainee property from cell #306. In the process of going through property for a proper inventory report, a bag of creamer had medication cups inside. I looked inside the medication cups to find multiple pills inside of varying colors and sizes. (See photos attached) I alerted Lt. (b)(6)(b)(7)(C) of my findings and she in turn consulted with Medical Officer (b)(6)(b)(7)(C) M/O (b)(6)(b)(7)(C) confirmed the pills were not "keep on person" medications. Lt. (b)(6)(b)(7)(C) directed me to file this report.

Provide a detailed description of the reason(s) for the segregation placement, including all relevant facts articulated by the facility in justifying the placement:

On April 12, 2022, detainee was booked into Plymouth County Correctional Facility after being arrested by ICE. (b)(6)(b)(7)(C) had previously been held in ICE custody and was released on bond on July 06, 2011. At the time of release on bond (b)(6)(b)(7)(C) was serving time in Segregation for conduct which disrupts the security and orderly running of the institution and fighting/assaulting an inmate with offense against inmate property. Due to facility policy (b)(6)(b)(7)(C) had to return to the segregation unit when he came back to the Plymouth County House of Correction custody on April 12, 2022. Subject is due to be released from the Segregation unit today, April 26, 2022.

Additional Comment:

Subject was placed in segregation on July 03, 2011 and bonded out of Plymouth County Correctional Facility on July 06, 2011. (b)(6)(b)(7)(C) was placed back into segregation at the time of booking April 12, 2022 due to (facility policy) after he was released from segregation back in 2011. I do not believe he was in SEG long enough in 2011 to have a hearing/results since he bonded out on July 6, 2011.

Describe the detainee's immigration history and prior criminal history, if applicable:

IMMIGRATION HISTORY:

On July 28, 2004, (b)(6)(b)(7)(C) entered the United States as a Refugee at Newark, New Jersey.

On July 06, 2011, (b)(6)(b)(7)(C) was released on bond.

On December 18, 2018, (b)(6)(b)(7)(C) was ordered removed from the United States to Somalia by an Immigration Judge.

Provide a detailed description of the reason(s) for the segregation placement, including all relevant facts articulated by the facility in justifying the placement: On the above date at approximately 1350HRS, I Officer (b)(6)(b)(7)(C) was assigned to unit H. At that time I was at the officer station when the intercom for cell H-6 rang out. When I answered the intercom, I could hear what sounded like an altercation with scuffling and someone repeatedly saying "I'm not fucking playing with you". At that time I left the control panel and went to cell H-6. When I looked inside, I observed both inmates (b)(6)(b)(7)(C) who are assigned to that cell, on the floor interlocked in a physical altercation just on the other side of the door (MJ-1 Assault, threat of assault or holding any person hostage). I immediately returned to the control panel while requesting back-up to unit H via my radio (MJ-30 Acting in a way that abuses any operation in the facility, or that disrupts or interferes with security and/or the orderly running of the facility). I then made multiple calls to all inmates on tier time to lock down. Shortly after responding officers and CPL (b)(6)(b)(7)(C) arrived on unit and entered cell H-6. Both inmates were placed in hand restraints. Inmate (b)(6)(b)(7)(C) was escorted off unit via OFC (b)(6)(b)(7)(C) and Inmate (b)(6)(b)(7)(C) was escorted via OFC (b)(6)(b)(7)(C) After the cell was cleared, I observed what appeared to be blood droplets on the floor of the cell as well as on sweatpants and some paper.

Provide a detailed description of the reason(s) for the segregation placement, including all relevant facts articulated by the facility in justifying the placement:

On 2/16/2022, I, Correctional Officer (CO) (b)(6)(b)(7)(C) was assisting HPI serve chow. CO (b)(6)(b)(7)(C) entered Unit E with Officer (b)(6)(b)(7)(C) and noticed a piece of paper on the floor by cell EX2. The piece of paper was a note from non-citizen (b)(6)(b)(7)(C) who is housed in D-7 on administrative segregation status. The note was addressed to a (b)(6)(b)(7)(C). It should be noted that this is a nickname for non-citizen (b)(6)(b)(7)(C). CO (b)(6)(b)(7)(C) took the note to Sgt. (b)(6)(b)(7)(C) who believed non-citizen (b)(6)(b)(7)(C) had recently been placed on report for passing notes. CO (b)(6)(b)(7)(C) and Sgt. (b)(6)(b)(7)(C) confirmed that non-citizen (b)(6)(b)(7)(C) was placed on report for passing notes by CO Carpenter on February 4th, 2022. Sgt. (b)(6)(b)(7)(C) instructed me to search non-citizen (b)(6)(b)(7)(C) cell and take all commissary items and property bin as he would be going back to Maximum Seg security status.

On 3/09/2022, non-citizen (b)(6)(b)(7)(C) completed his MAX segregation time. Non-citizen (b)(6)(b)(7)(C) is being held in administrative Seg for further evaluation as per Security Captain (b)(6)(b)(7)(C) of Trafford County DOC.

Statement of Offense:

Sir,

On November 30th 2021, I Officer (b)(6)(b)(7)(C) was assigned to Unit C1 for the 1500- 2300 shift when an incident occurred resulting in the writing of this report.

At approximately 1525 hours, INS Detainee (b)(6)(b)(7)(C) entered Unit C1 from Booking. Detainee (b)(6)(b)(7)(C) was extremely upset about being housed in C1 on quarantine status. Detainee (b)(6)(b)(7)(C) stated he would rather be housed in Unit G than be housed in C1. Officer (b)(6)(b)(7)(C) asked him if he was refusing a housing assignment which he stated "Yes". We then directed Detainee (b)(6)(b)(7)(C) to the sallyport and called Lt. (b)(6)(b)(7)(C) to inform him of the situation. Detainee (b)(6)(b)(7)(C) was removed from the sallyport without issue.

Statement of Offense:

Sir,
On June 26, 2020 I was assigned to unit DS3 when an incident occurred resulting in the removal of Boston ICE Detainee (b)(6)(b)(7)(C). Upon chow being completed for the unit I was monitoring the cell doors that still needed to be secured. I noticed cell DS405 was still showing open on my panel so I called over the room intercom to confirm both detainees were in there and ordered them to secure their cell door. I only received confirmation that there was one inmate in the cell when there should have been two.
Now that all the doors were reading secure in the unit I conducted a cell check round to locate the second detainee that was supposed to be housed in DS405. Opening each cell one at a time I finally came to cell DS406 and found three detainees in the cell when there was only supposed to be two. I asked who did not live in that cell and detainee (b)(6)(b)(7)(C) admitted to being out of place. I ordered (b)(6)(b)(7)(C) back to cell DS405 where he was supposed to be. I informed (b)(6)(b)(7)(C) he could not take it upon himself to be in other rooms while the dayroom was locked down. I also informed him of the dangers of not knowing where all detainees were at all times and that being out of place was an infraction that could result in his removal from the unit.
After reporting back to his room as I instructed him to I closed the door behind him and he felt it was necessary to boot the door. It was at this point I felt that (b)(6)(b)(7)(C) was no longer fit to stay in the unit for failure to follow unit rules as well as his uncalled for temper.
I then called via radio to Lt. (b)(6)(b)(7)(C) for the removal of detainee (b)(6)(b)(7)(C). Lt. (b)(6)(b)(7)(C) responded as well as Officers (b)(6)(b)(7)(C). Detainee (b)(6)(b)(7)(C) was removed from the unit with no further issues. Inmate (b)(6)(b)(7)(C) packed his own property and Officer (b)(6)(b)(7)(C) took possession.

Respectfully Submitted,
Officer (b)(6)(b)(7)(C)

Provide a detailed description of the reason(s) for the segregation placement, including all relevant facts articulated by the facility in justifying the placement:

On November 1, 2020, at approximately 12:10 p.m., a Plymouth County Correctional Facility officer assigned to ICE Unit DN-3 (level 3 offenders) observed two detainees (b)(6)(b)(7)(C) and (b)(6)(b)(7)(C) that appeared to be fighting. The officer issued an order to separate and both detainees complied. CERT officers responded and both detainees were placed in restraints without incident. Both detainees were evaluated by medical staff which determined that detainee (b)(6)(b)(7)(C) would be transported to Beth Israel Deaconess Hospital in Plymouth, MA for evaluation. Detainee (b)(6)(b)(7)(C) was treated for a laceration to his head and returned to the facility. (b)(6)(b)(7)(C) had no injuries and was cleared to be housed in Administrative Segregation pending a disciplinary board hearing. Review of security video determined that (b)(6)(b)(7)(C) was the aggressor and (b)(6)(b)(7)(C) did not throw any punches during the incident.

November 30, 2020 - PCCF has requested a transfer due to keep separate alerts in both ICE housing units. ICE is searching for bed space to facilitate the transfer.

Report Subject: Fight / Assault Inmate Reporting Officer: (b)(6)(b)(7)(C)

On 1 November 2020 I was the 3rd Floor Lieutenant when there was an assault in DN3. ICE inmate (b)(6)(b)(7)(C) assaulted ICE inmate (b)(6)(b)(7)(C) Officer Case was running chow when it appeared as though both inmates were fighting by the Kiosk. The Officer called a code one fight DN3 and made his way towards the fight while ordering the other inmates to step in. When he got to the fight inmate (b)(6)(b)(7)(C) was on the floor with blood all over his face and shirt. Inmate (b)(6)(b)(7)(C) had stopped punching inmate (b)(6)(b)(7)(C) so he ordered him away from the other inmate. CERT responded to the unit where handcuffs were applied to both inmates. Inmate (b)(6)(b)(7)(C) was taken out first, was escorted to Medical and then to Pod G. Inmate (b)(6)(b)(7)(C) was in the unit where Officers were tending to the inmates injury. Medical Officer (b)(6)(b)(7)(C) made her way to the 3rd floor and saw said inmate. He was then escorted to Medical where it was decided that he would go to the BI Jordan. When I spoke to him about what had happened he stated to me " I don't know what happened he just hit me fore no reason."

At this time I went to the IPS's Department and viewed tape of the fight. Inmate (b)(6)(b)(7)(C) is sitting eating lunch when (b)(6)(b)(7)(C) walks up behind him bends down, appears to say something to him and then starts to hit inmate (b)(6)(b)(7)(C) in the face and head area repetitively. Inmate (b)(6)(b)(7)(C) does not throw a punch and after viewing the tape this is an assault by inmate (b)(6)(b)(7)(C) on (b)(6)(b)(7)(C) After viewing the tape with Sgt. (b)(6)(b)(7)(C) it was decided that inmate (b)(6)(b)(7)(C) appears to kick inmate (b)(6)(b)(7)(C) Due to this inmate (b)(6)(b)(7)(C) sneakers were confiscated (Control # (b)(7)(E)) on G Floor at 1225hrs.. Said inmate was brought to talk to me where I asked him if he spoke and understood English? He said he did speak and understand English. Due to this being an assault I read inmate (b)(6)(b)(7)(C) his Miranda Warnings and he signed. He did not want to talk to me about anything to do with the incident he was just involved in. As mentioned the inmates' sneakers were confiscated at this time. I then went to speak with inmate (b)(6)(b)(7)(C) prior to him leaving the facility. When questioned further about what had happened he stated that he had been trying to get out of that unit for weeks because the whole unit thought he was a pedophile. He stated that he was just sitting at chow when this inmate just came up and hit him. He also stated that last night at around headcount inmates came up to him about them thinking he was a pedophile. He stated to me that one of the inmates was the guy who had assaulted him today. It was at this time the inmate was going out to the Hospital. I will interview this inmate again when he comes back as to who else was involved with the incident last night at headcount. Keep a ways were placed between the inmates, all property was inventoried and signed for. BCI was also called to take pictures of the inmate and the unit.

Initial Report:

I, Officer (b)(6)(b)(7)(C) assigned to the 8-4 unit have the following to report: At approximately 9:50 A.M. on Friday August 10, 2018, D/T (b)(6)(b)(7)(C) # (b)(6)(b)(7)(C) returned to me a razor that was handed to him at about 9:00 A.M. Upon closer examination of the razor I discovered the blade was removed, and detainee concealed the removed blade with a silver colored paper strip. I immediately notified my supervisor, LT. (b)(6)(b)(7)(C). Detainee was questioned about the missing blade, but first claimed he dropped it in the bathroom and could not find it. Detainee was ordered to go back to the bathroom and look for it. Detainee reappeared holding the blades. Blades were collected and placed in evidence bag # (b)(7)(E) sealed and given to Lt. (b)(6)(b)(7)(C) along with this report. Detainee (b)(6)(b)(7)(C) was thereafter removed from 8-4 unit to 1-4-2 unit without any incident.

On Thursday, September 13, 2018 at approximately 8:10pm I Deputy (b)(6)(b)(7)(C) did observe 2 detainees arguing inside dayrom #2. As I approached dayroom #2, I witnessed detainee (b)(6)(b)(7)(C) # (b)(6)(b)(7)(C) grabbing the T.V. with both hands, before raising his hands towards detainee (b)(6)(b)(7)(C) I immediately positioned myself between the two detainees and ordered them to stop arguing and separate. The two detainees began to separate and detainee (b)(6)(b)(7)(C) engaged again. Detainee (b)(6)(b)(7)(C) began to yell louder and took his shirt off as he stepped back into detainee (b)(6)(b)(7)(C) personal space. Detainees (b)(6)(b)(7)(C) both were dismissing any and all of my secondary orders given by me to separate and stop yelling. Both detainees refused to comply with my orders and were causing a escalating disturbance with the unit during recreation.

Re: ICE Detainee (b)(6)(b)(7)(C)

On Sept. 18th, at 8:45 am I authorized SERT Supervisor Lt. (b)(6)(b)(7)(C) to use the restraint chair to control ICE Detainee (b)(6)(b)(7)(C).

The Detainee was in segregation unit 1-4-2. He had disrupted to unit multiple times over the following shifts, generating reports. At 8:30 am unit officer (b)(6)(b)(7)(C) was conducting random security rounds and found Detainee (b)(6)(b)(7)(C) unresponsive with a ligature around his neck.

SERT Supervisor Lt. (b)(6)(b)(7)(C) responded with support staff and rendered care to the Detainee. Detainee (b)(6)(b)(7)(C) then became assaultive toward staff and I authorized the use of the restraint chair for the control and safety of the detainee and staff.

At 10:40 am, now in the Medical unit, Detainee (b)(6)(b)(7)(C) was taken out of the restraint chair and cleared by Medical staff.

Detainee (b)(6)(b)(7)(C) began resisting their attempts to remove it. Force was used by Lieutenant (b)(6)(b)(7)(C) and Officer (b)(6)(b)(7)(C) to remove the t-shirt. He also yelled "blood of Jesus, I want to die."

Once under control Sert Officers (b)(6)(b)(7)(C) secured Detainee (b)(6)(b)(7)(C) in the restraint chair for his personal safety. This use of force was supervised by Lieutenant (b)(6)(b)(7)(C) and video recorded by Officer (b)(6)(b)(7)(C). Re: Ice Detainee (b)(6)(b)(7)(C)

Sir,

On Tuesday September 18, 2018 while assigned as the Building One Supervisor I Lieutenant (b)(6)(b)(7)(C) have the following to report. At approximately 7:45 am I responded to a disruptive inmate called via radio in unit 1-04-2 cell #6. Upon arrival I was informed by unit Officer (b)(6)(b)(7)(C) that Ice Detainee (b)(6)(b)(7)(C) was kicking his cell door and refused orders to stop. He also urinated out of his cell onto the dayroom floor.

It should be noted that this detainee was issued a disciplinary report on the 11pm to 7am shift at approximately 2:42am. Discipline report # (b)(6)(b)(7)(C) states that Detainee (b)(6)(b)(7)(C) covered his cell door window and refused orders to remove it. Sert responded and cooperatively removed his property from his cell.

Once Sert Supervisor Lieutenant (b)(6)(b)(7)(C) arrived on scene at approximately 7:46 am, he was cooperatively restrained through the cell trap door and removed from his cell. All remaining items were removed from his cell in an attempt to restore order in the unit. The water to cell #6 was turned off and Detainee (b)(6)(b)(7)(C) was advised that any further disruptive behavior could result in being secured in the restraint chair. He was placed back in his cell and the restraints were removed without further incident.

Re: Detainee (b)(6)(b)(7)(C)

On Tuesday, September 18, 2018, at approximately 8:45am, Detainee (b)(6)(b)(7)(C) (#(b)(6)(b)(7)(C)) was secured inside the Emergency Restraint Chair due to his continuous violent, aggressive, disruptive and harmful behavior.

At approximately 7:40am, SERT Personnel and I responded to the 142 Segregation Unit due to a radio transmission of a disruptive inmate. Upon my arrival to the unit, Lieutenant (b)(6)(b)(7)(C) (Building One Supervisor) reported to me that Detainee (b)(6)(b)(7)(C) disruptive behavior has been escalating over the past few hours (two Formal Disciplinary Reports submitted).

On Monday September 17, 2018, at approximately 8:10 pm, Detainee (b)(6)(b)(7)(C) was moved from the 82 Detainee Housing Unit to the 142 Segregation Unit for engaging in an altercation with another detainee and disruptive behavior (Formal Disciplinary Report submitted)..

On Tuesday, September 18, 2018, at approximately 2:45am, Detainee (b)(6)(b)(7)(C) covered the cell door window with a towel and disobeyed all orders to remove the obstruction. As a result, his property items were temporarily removed from the cell in an attempt to restore order and prevent any further disruptive behavior (Formal Disciplinary Report submitted).

On Tuesday, September 18, 2018, at approximately 7:35am, Detainee (b)(6)(b)(7)(C) deliberately urinated underneath the cell door into the dayroom area and began continuously disrupting the orderly running of the housing unit by yelling, "Blood of Jesus!" while banging and kicking the cell door. As a result, the water to the cell was turned off and Detainee (b)(6)(b)(7)(C) was advised that if he continued with his disruptive behavior that he would be secured inside the Restraint Chair (Formal Disciplinary Report submitted). *It should be noted that the unit officers were directed to turn the water on as needed (to discard human waste and provide drinking water).*

On Tuesday, September 18, 2018, at approximately 8:40am, SERT Personnel and I responded to the 142 Segregation Unit due to a radio transmission of an unresponsive inmate. Upon arrival to the unit, Officer (b)(6)(b)(7)(C) (unit officer) directed us to cell #6 where I observed Detainee (b)(6)(b)(7)(C) leaning against the cell wall in a seated/slumped over position with what appeared to be a white t-shirt tightly fastened around his neck as a makeshift ligature.

I initially attempted to visually evaluate his condition from outside the cell to the best of my ability to determine if his life was in imminent danger (by shaking the cell door and yelling his first name “(b)(6)(b)(7)(C)”). Inmate (b)(6)(b)(7)(C) body remained motionless and I was unable to determine if he was breathing.

In response, I immediately ordered the unit officers to open the door and we entered the cell to assess the situation. When I attempted to remove the ligature from his neck he became combative by violently swinging his arms and legs in the direction of staff. It is unknown if he was attempting to assault staff or merely detached from his surroundings and disoriented. Deputy (b)(6)(b)(7)(C) and I gained control of his flailing extremities (arms) and forcefully directed him into a prone position (face down) on the cell floor. Seconds later, Deputy (b)(6)(b)(7)(C) entered the cell and gained control of his flailing lower extremities (legs) and secured them in a Figure Four Leg Lock (to prevent kicking). Once in this position and under control, I cut the ligature off his neck with a department issued safety cutter.

Following this, Detainee (b)(6)(b)(7)(C) was breathing adequately and began aggressively screaming, “Send me back to my country, just let me die or I will kill you motherfuckers, blood of Jesus!” I ordered Detainee (b)(6)(b)(7)(C) to stop resisting the security staff and to cease with his violent, aggressive and harmful behavior, which he disobeyed. Due to his continuous violent, aggressive, disruptive and harmful behavior, he was secured inside the Restraint Chair for his own personal safety as well as the staff’s safety (the Shift Commander and the Building One Supervisor were notified). Nurse (b)(6)(b)(7)(C) confirmed that Detainee (b)(6)(b)(7)(C) had no medical contraindications preventing placement into the Restraint Chair.

At approximately 8:45am, a video archive commenced to document the incident as if unfolded. While Deputy Ford (b)(6)(b)(7)(C) videotaped the incident, Deputy (b)(6)(b)(7)(C), Deputy (b)(6)(b)(7)(C) and I properly secured him inside the Restraint Chair. After being secured inside the Restraint Chair, Nurse (b)(6)(b)(7)(C) conducted an initial medical evaluation of his condition (no treatment necessary). Detainee (b)(6)(b)(7)(C) was transported from the 142 unit to the 621 Medical Housing Unit in the Restraint Chair. Within fifteen minutes per department policy, Nurse (b)(6)(b)(7)(C) conducted a secondary medical evaluation of his condition with the same diagnosis (before being secured inside cell #9 of the 621 unit).

At approximately 10:40am, Detainee (b)(6)(b)(7)(C) stated on camera that he was willing to comply with the rules and regulations of the department to myself and Mental Health Clinician (b)(6)(b)(7)(C). Shortly thereafter, he was removed from the Restraint Chair. After he was removed from the Restraint Chair, the handcuffs and leg-irons were cooperatively removed and he was “Strip Searched” for contraband (nothing discovered).

In closing, Nurse (b)(6)(b)(7)(C) conducted a final medical evaluation of his condition (no treatment was necessary); and all staff promptly exited the cell and the handcuffs were removed through the cell trap door without further incident. (The incident was documented on digital media card #81).

Be advised, the makeshift ligature (t-shirt) was secured inside a brown paper Evidence Bag for evidentiary purposes.

INCIDENT REPORT

DATE: Saturday, November 24, 2018
RE: Special Housing Request

Sir:

On Saturday, November 24, 2018 while on duty in Building Eight, I, Lieutenant (b)(6)(b)(7)(C) have the following to report.

At approximately 4:40 am, I was summoned to Unit 8-2 by Unit Officer (b)(6)(b)(7)(C) who stated she had a Detainee who was requesting protective custody. Upon my arrival I observed Detainee (b)(6)(b)(7)(C) who is housed in cell (#09) sitting in the dayroom appearing visibly shaken. Upon Inquiry Detainee (b)(6)(b)(7)(C) informed me that he snores very loud at night and this disrupts his cellmates. He alleged that his cellmates yelled over to him demanding him to stop snoring. At which point, Detainee (b)(6)(b)(7)(C) (bottom middle bunk) "stood up from his bunk, grabbed a book that was placed on the empty bunk above him and took what appeared to be a sharp object out of the book. He further stated that at that point he wrapped a blanket around his arm for protection. Detainee (b)(6)(b)(7)(C) then lunged at him in an attempt to stab him however his other cellmates all yelled (in Spanish) for him to stop. Detainee (b)(6)(b)(7)(C) then ceased his attempted assault and went back to bed. Detainee (b)(6)(b)(7)(C) stated that he is sorry he snores but there is nothing he can do and he is in fear for his life and cannot live in the unit. He requested SHU placement (see attached Security Placement Form.) and was subsequently cooperatively escorted by Sert Officers (b)(6)(b)(7)(C) to Unit 1-4-1 cell (#10).

Due to the nature of the allegation and security threat, I requested a targeted cell search of cell (#09) be conducted to search for the possible weapon. Sert Supervisor Sergeant (b)(6)(b)(7)(C) was notified and responded to the Unit with Officers (b)(6)(b)(7)(C). The following cell occupants were ordered to exit the cell and face the wall:

(b)(6)(b)(7)(C)

(b)(6)(b)(7)(C)

All were cooperatively pat searched (nothing of significance recovered). During the search of cell (#09) Officer (b)(6)(b)(7)(C) did recover a book from the top middle bunk as described by the alleged victim, Detainee (b)(6)(b)(7)(C). During the search of the book Officer (b)(6)(b)(7)(C) recovered what appeared to be part of a broken nail clipper and possible alleged weapon. The items were placed in evidence bag (#(b)(6)(b)(7)(C)).

As Detainee (b)(6)(b)(7)(C) was identified as the alleged assailant and identified his property to be on the top and bottom middle bunk, he was subsequently cooperatively handcuffed and escorted to Unit 1-3-1 cell (#08) Awaiting Action.

Respectfully

(b)(6)(b)(7)(C)

RE: ICE D/T (b)(6)(b)(7)(C)

Date: January 14, 2019

Sir, on the above date during the 7-3 shift, I, Lt. (b)(6)(b)(7)(C) (SERT Supervisor) have the following to report. At approximately 1:15pm I received a report of a combative ICE detainee being transported to the HOC from Chelsea district court. Preliminary reports suggested the above mentioned detainee (b)(6)(b)(7)(C) (b)(6)(b)(7)(C) did kick the Plexiglas window out of an ICE vehicle during the transport. As the agents and the detainee were nearing the HOC, I deployed SERT officers (b)(6)(b)(7)(C) (b)(6)(b)(7)(C) to building 8. Upon arrival of the ICE transportation team and the above mentioned detainee, I was informed by ICE Agents (b)(6)(b)(7)(C) that D/T (b)(6)(b)(7)(C) did, in fact, damage the ICE vehicle by kicking out the window. The agents further related to me that D/T (b)(6)(b)(7)(C) concealed a large piece of Plexiglas and concealed it which was recovered by the above mentioned Agents prior to their arrival. Upon first contact with Detainee (b)(6)(b)(7)(C) I explained the booking procedure and asked him if he was going to cooperate. He agreed. Based on this information received, I suggested to Captair (b)(6)(b)(7)(C) that a probable cause strip search be conducted on this Detainee. After permission was received, the strip search was conducted by the above mentioned SERT Officers without incident. Detainee (b)(6)(b)(7)(C) was booked and placed in unit 8-1 pending medical evaluation. A disciplinary report has been filled based on the report received by ICE.

Respectfully Submitted

Re: Inappropriate writings

Sir,

On Monday, January 28, 2019 at approximately 10:35am I was notified by Officer (b)(6)(b)(7)(C) that caseworker (b)(6)(b)(7)(C) received an inmate request that had inappropriate comments written in spanish.

Upon arrival in unit 8-4, I spoke with caseworker (b)(6)(b)(7)(C) about the request slip in question and the detainee who allegedly wrote it. Caseworker (b)(6)(b)(7)(C) interpreted the note allegedly addressed by detainee (b)(6)(b)(7)(C). She explained that the writer spelled his name incorrectly, made comments about how much he liked her and that he wanted to make love to her. Detainee (b)(6)(b)(7)(C) was questioned on whether he wrote the inappropriate comments and he adamantly denied writing the comments.

Caseworker (b)(6)(b)(7)(C) did observe parts of the note that had familiar penmanship to another detainee with the 8-4 unit. She also showed me past slips from inmate (b)(6)(b)(7)(C) that appeared to have similar patterns in writing certain letters. Multiple copies of past request slips submitted by detainee (b)(6)(b)(7)(C) & the inappropriate writings are submitted with this report in a evidence bag. Caseworker (b)(6)(b)(7)(C) also noted that the slip was not hand delivered by any detainee. She obtained the slip from the unit mailbox that all detainees have access to everyday.

Inmate (b)(6)(b)(7)(C) is still in unit 8-4 cell #10 and detainee (b)(6)(b)(7)(C) is in unit 142 due to an unrelated disciplinary infraction on the prior shift.

Respectfully Submitted,

(b)(6)(b)(7)(C)

Location of Incident: 2 East Unit

Description:

On the above date and time I Lieutenant (b)(6)(b)(7)(C) was on post in Zones 1&2 at the Dartmouth House of Correction. It was at this time I was conducting a round in 2 East Unit, during that round Detainee (b)(6)(b)(7)(C) had become verbally aggressive with the Unit Officer (b)(6)(b)(7)(C)

Detainee (b)(6)(b)(7)(C) was refusing to allow Officer (b)(6)(b)(7)(C) to enter the cell for a cell inspection. I then came upon the situation from the back of the hall and stepped in the situation and addressed Detainee (b)(6)(b)(7)(C). At this time Detainee (b)(6)(b)(7)(C) continued to make threats toward me stating "fucking fight me I won't tell", he also said "I don't give a fuck if you have a badge you can still get killed". He then attempted to block my exit from the cell I ordered him to move out of the way. At this time he stated "that's right bitch show me my respect". I then immediately opened the door and ordered him to turn around and submit to hand restraints.

Restraints were applied firm to the skin double locked as not to impede circulation and was then escorted out of the unit to HSU. During the escort Detainee (b)(6)(b)(7)(C) attempted to stop walking I utilized compliance techniques taught in yearly in-service to get Detainee (b)(6)(b)(7)(C) to comply which he did, although still threatening me.

It was then we arrived at HSU where an SMU evaluation was completed by RN (b)(6)(b)(7)(C). It was at this time the escort was taken over by Sector C Officer (b)(6)(b)(7)(C)

Date and Time of Incident: 03/11/19 at approximately 0011

Location of Incident: ICE B

Description: Code Blue, two Detainees Fighting

On Sunday March 11, 2019 I Sergeant (b)(6)(b)(7)(C) was assigned as zones 5 and 6 supervisor at the Dartmouth Women's Center on the 1500 to 2300 hour shift.

At approximately 0011 hours a code blue two inmates fighting was activated by Officer (b)(6)(b)(7)(C) in ICE B. Upon my arrival Officer (b)(6)(b)(7)(C) had Detainee (b)(6)(b)(7)(C) separated in the bathroom and Officer (b)(6)(b)(7)(C) had Detainee (b)(6)(b)(7)(C) separated near the bunks. I immediately placed hand restraints on Detainee (b)(6)(b)(7)(C) firm to the skin but not to impede circulation and double locked for safety and escorted Detainee (b)(6)(b)(7)(C) out to the sally port. While in the sally port in questioned Detainee (b)(6)(b)(7)(C) and asked him what happened and he stated "it was just an argument". I asked him if it was a physical fight and he stated again "it was just an argument". Detainee (b)(6)(b)(7)(C) was asked who started it and once again stated "it was just an argument". Officer (b)(6)(b)(7)(C) was advised to transport Detainee (b)(6)(b)(7)(C) to segregation as he exited the unit with Detainee (b)(6)(b)(7)(C) into the sally port. Detainee (b)(6)(b)(7)(C) was then asked what had occurred and he stated "we were having a conversation about voting and the conversation got a bit heated and out of nowhere he began to punch me". Visual observation of Detainee (b)(6)(b)(7)(C) showed multiple red bumps to the face and scratches on his neck. Detainee (b)(6)(b)(7)(C) then exited with Officer (b)(6)(b)(7)(C) to EC unit.

I then entered ICE B and I was approached by several Detainees who stated that Detainee (b)(6)(b)(7)(C) was the aggressor. Detainee (b)(6)(b)(7)(C) who sleeps on the bunk below Detainee (b)(6)(b)(7)(C) stated that everyone was having this conversation and then the conversation became heated between Detainees (b)(6)(b)(7)(C) and (b)(6)(b)(7)(C) and out of nowhere Detainee (b)(6)(b)(7)(C) had struck Detainee (b)(6)(b)(7)(C) Furthermore Detainee (b)(6)(b)(7)(C) had ripped the headphones and radio off of Detainee (b)(6)(b)(7)(C) breaking it. The pieces that could be found scattered across the floor were collected.

Both Detainees were seen and cleared by Nurse (b)(6)(b)(7)(C) LPN without issues. Detainee (b)(6)(b)(7)(C) was subsequently placed in EE unit Cell G1 and Detainee (b)(6)(b)(7)(C) was subsequently placed in EC unit Cell G3 no issues. E.O.R.

INCIDENT REPORT FORM

Reporting Employee: Officer (b)(6)(b)(7)(C)

Reporting Date: 4/16/2019

Date and Time of Incident: 4/16/2019 @ 1318

Location of Incident: 2 East Unit

Description: Detainee (b)(6)(b)(7)(C) # (b)(6)(b)(7)(C)

On the above date and time I Officer (b)(6)(b)(7)(C) was assigned to Sector C within the Dartmouth House of Corrections. I was contacted by Lieutenant (b)(6)(b)(7)(C) and informed that Detainee (b)(6)(b)(7)(C) was going to be moved from 2 East unit to EC unit due disciplinary reasons.

At this time I then proceeded to 2 East unit. Upon entering the unit Detainee (b)(6)(b)(7)(C) was standing in the dayroom. I then approached him and gave him verbal commands to turn around and submit to hand restraints. Detainee (b)(6)(b)(7)(C) complied and I then secured him into hand restraints behind the back firm to the skin double locked to not impede circulation. Once he was secured into hand restraints I hands on escorted him out of the unit to Medical for a segregation evaluation.

Upon entering Medical, LPN (b)(6)(b)(7)(C) evaluated Detainee (b)(6)(b)(7)(C) LPN (b)(6)(b)(7)(C) then deemed him clear for EC unit. I then hands on escorted him out of Medical to the EE unit strip cage for a strip search. Detainee (b)(6)(b)(7)(C) was free of all contraband. Once the strip search was complete I removed him from the strip cage and hands on escorted him to EC unit cell M2 where I placed him inside the cell. Cell M2 was then secured and I then removed him from hand restraints via the food slot without any issue. No further issues to report at this time. E.O.R

INCIDENT REPORT FORM

Reporting Employee: (b)(6)(b)(7)(C)

Reporting Date: 3/13/19

Date and Time of Incident: 3/13/19 Approx.. 0855

Location of Incident: 2 East unit

Description: Detainee (b)(6)(b)(7)(C) (b)(6)(b)(7)(C) transfer to EC unit

On the above date and time while assigned as the Supervisor of Immigration Services I was contacted by Captain (b)(6)(b)(7)(C) informing me that detainee (b)(6)(b)(7)(C) had received yet another d-report for being out of place. Because of his many d-reports for being out of place and his flagrant disrespect for institutional rules it was determined that he would be moved to EC unit on status.

I at this time contacted 2 East unit and informed Officer (b)(6)(b)(7)(C) of this decision. I arrived in 2 East unit and escorted detainee (b)(6)(b)(7)(C) to medical for a segregation medical / mental health assessment. While in medical Nurse (b)(6)(b)(7)(C) performed the segregation assessment and cleared detainee (b)(6)(b)(7)(C) for placement in EC unit.

At this time I reapplied the hand restraints firm to the skin as to not impede circulation and escorted detainee (b)(6)(b)(7)(C) to EE unit to perform a strip search per the Superintendents policy regarding no contraband entering the ASU area. This search was conducted by me searching all his clothing and footwear no contraband was found at this time.

All clothing was returned to detainee (b)(6)(b)(7)(C) for him to get dressed. Once detainee was dressed he was escorted to EC unit and placed in cell G-5 without incident.

Initial Report:

While assigned to the 8-2 unit on Wednesday, March 20, 2019 at approximately 9:20PM, Lieutenant (b)(6)(b)(7)(C) asked me to double check the cells for any extra or damaged mattress' while he addressed the detainees as a group in the dayroom. As I begun my search at cell 8 and physically check every bunk and mattress as a picture from underneath the last top bunk fell onto the bunk bellow it. The picture had a razor blade, that appeared to be from a dismantle shaving razor, stuck to the backside. Recreation was ending and I asked the detainees who resided in cell 8 who the picture belonged too. Detainee (b)(6)(b)(7)(C) spokeup, and stated, "Me" as he pointed to his chest and acknowledged the inappropriate and partially clothed picture of an unknown female.

Note: D – Met w/ ICE Detainee (b)(6)(b)(7)(C) approx. 9:57 AM in MHS per self-request (see sick slip for details). Note: I/M was m/r seen by this clinician for a MH eval on 4.3.19 and was ref'd for a psych med eval as well @ that time. I/M s/r he is having "nightmares" and "sleep paralysis". I/M started the conversation re: these two issues, and as clinician started to ask for more clarification about these nightmares, I/M immediately changed the subject to his Lexapro "being crushed". I/M s/r he feels his med shouldn't be "crushed into a powder form"; indicated he knows the protocol is for his med to be "crushed" but feels that there is inconsistency re: how much it is crushed. I/M c/o physical S/E's to having to ingest his medication in powder form. I/M stated he has addressed this w/ the MO's but some still continue to crush it into powder form. Clinician explained that I/M's concern, though valid, is beyond the scope of MHS and suggested I/M consider writing a sick slip to medical or filing a grievance if he continues to feel misheard re: the consistency of med crushing. Explained that this clinician does not know the medical protocol or procedure. Reminded I/M that he is on the list for a med eval and that he may also discuss his meds and any concerns at that time. I/M mentioned he had been taking Prazosin but it was DC'ed; discussed that this medication used to help w/ his "nightmares" and acting out "physically" in his sleep. I/M stated, "Ok, well, that was it, thanks!" and motioned to get up. I/M denied any current SI/HI, plan or intent. Denied any other MH issues/concerns at this time. Rev'd how to access MHS prn/pp via sick slip.

Report Subject: Unauthorized Substance

Statement of Offense:

Sir:
On Wednesday May 15,2019 I was assigned as a unit officer for C3 on the 1500-2300 hrs shift. At approximately 1935 hours while conducting random cell searches I entered cell C425. Upon entereneing the cell I could detect an odor of something having been recently burnt in the cell. There were 4 double A batteries on the desk, which are commonly used to light tapers. As I searched I then found a wet brown paper towel underneath the bottom bunk. The paper towel was laid out carefully on a piece of plastic wrap. Both items were smoothed out on the floor and there was a brown liquid substance pooling on the base of the towel/plastic wrap. In my experience as a correctional officer this looked like the begining of the manufacture of synthetic marijuana, commonly called K2. I seized the item and secured the cell door. After returning to the officer's panel I called the detainees housed in the cell, (b)(6)(b)(7)(C) to come speak with me. Ice Detainee (b)(6)(b)(7)(C) came first and denied any knowledge of the item, stating that it was not his. He brought (b)(6)(b)(7)(C) to the afterwards who only said it was a wet paper towel. He then wanted to go to his cell and "use the bathroom." Lieutenant (b)(6)(b)(7)(C) was notified of the findings.

Respectfully submitted,

O: Pt's vitals appear normal at this time. Pt does not appear to be suffering from any ongoing medical issues as there was minimal bleeding during the incident.

A: When this writer arrived to the HSU, this writer observed that pt was in a security Smock with the HSU Security staff. This writer then assessed pt for an out of cell contact. It was reported that pt engaged in self-injury by insertion. Pt reported that he "found" a paper-clip and inserted in between both his top and bottom lip. Although it was previously reported that pt wanted to engage in self-injury pt reported during this assessment that he no longer wished to harm himself, pt reported that he "wanted to leave the facility. "This writer informed pt that he would be speaking with psychiatry the next day in order to assess pt's safety, stability, and his medication concerns. Pt appeared agreeable to this. Pt was not able to contract for safety during assessment at this time. No further issues to report at this time. Pt is aware on how to access mental health services.

P: The Constant Mental Health watch was initiated at this time as pt is unable to answer the mental health risk assessment questions asked by nursing staff. Pt will speak with psychiatry tomorrow to further assess pt's presentation. It appears that pt engaged in self-injury in order to leave the institution. Pt is aware on how to access mental health services when needed.
